The Southern Gateway Radio League C4FM digital “Fusion” net, normally held on the W9ZSK 147.255 repeater in Martinsville, Indiana will be moved to the W9ZSK 444.250 repeater on the 4th Wednesday of every month at 8:30 P.M. (Eastern Daylight Time) to allow Wires-X users to access the net from beyond the repeater's regular coverage area.

This will be a directed net and all participants are asked to pause between transmissions to allow Wires-X users to connect & disconnect.

Wires-X users should connect to the

N9AWU room #43978.
